

## **BORING STUFF FOR PARENTS:**

Kids' Club is an activity of St. Aidan's and St. Andrew's Presbyterian Churches, Wagga Wagga. We meet on school term Fridays in St. Aidan's church hall, 62 Coleman St, Wagga.

We meet from 5.30 pm to 7pm. Kids' Club is for children in Years 3-7, and all are welcome! During Term 4, kids in Year 2 are welcome too, but Year 7s will need to leave us.

All young people in High School (and Year 6 in Term 4) are welcome at SAYGE (St. Aidan's/St. Andrew's Youth Group). They meet at 7pm to 9pm after Kids' Club at the same location.

Kids' Club leaders are Karen Alcorn, Roland Alcorn, Jon Blyth, Corinne Brown, Amy Combs and David Ellis. Parents are always welcome to come to observe and to join in (and help!)

To cover expenses, the cost is \$3 per child each week, \$5 for a family, please.

Every evening there's a light meal of some kind (a sausage or two, fishburgers, pizza). So your kids don't need much for tea afterwards. They won't go hungry!

Our aim is to introduce children to Jesus Christ, inviting them to become His followers. We do this in a context of relationships and recreation. It's good fun for everyone (including the leaders)!

St. Andrew's and St. Aidan's are accredited as safe places for your children. All leaders have signed and are committed to the detailed church and NSW Government child protection policies and code of conduct. Copies of these and more information are available, on request, from our Child Protection Officers:

St. Andrew's: Marg Gillespie m:0412 421 970

## **DEFINITELY NOT BORING BIBLE STUFF FOR PARENTS AND KIDS ...**

The theme for Kids' Club in term 4 is "**The kings and The King**". Before King Jesus, there were other "Kings of the Jews" in the Old Testament. We'll learn about Him and them this term.

Please remember each week to get your parents to sign you in and out. And bring your friends along as well - they are always welcome.

**(Hey Parents... wanna help out??  
We always love to have parents stay around  
and join in the fun at Kids' Club. Talk to a  
leader).**

**The kings and  
The King**

**Term 2  
2022 AD**

**Wk 1. Fri 29 April – *Minit to Win It!***

What will we learn about kings this term? Who is the King of Glory? How can we connect with him?

60 seconds are all you get to complete each task tonight. Some you'll win, some you'll lose. Please bring \$3 for Miss Piggy to pay for our costs.

**Wk 2. Fri 6 May– *Kid's Club Cup***

King Saul, was the first king of Israel. Or was he? What do we know about him and what can we learn from his history.

While Wagga's Gold Cup is on, we have our own version. Not a horse in sight, just lots of cardboard. Please bring \$3 for our costs.

**Wk 3. Fri 13 May– *Stratego***

King David, is he Israel's greatest king? What did he know that no one else knew? We'll learn lots about him tonight.

Tonight we are playing a strategy game with lots of running and fun. Find the flag, not the bomb! \$3 tonight please.

**Wk 4. Fri 20 April – *Master Chef***

King Solomon, the wise and rich one. How did that go for him? What was good and bad about him?

Usually Karen and Roland Alcorn cook our food. I wonder how good we are at cooking it ourselves! Tonight we will find out. Please bring \$3 with you.

**THREE WEEKS TIL TALENT NIGHT**

**Wk 5. Fri 27 May – *Where's Wally***

Elijah wasn't a king. How did God use him and what kings did he work with?

MAKE SURE YOUR PARENT TALKS TO A LEADER WHEN THEY DROP YOU OFF TO FIND OUT THE DESTINATION.

You don't need to give Miss Piggy any money tonight. Bring some money to spend at the fast-food place that we end up at.

**TWO WEEKS TIL TALENT NIGHT**

**Wk 6. Fri 3 June– *Cluedo***

Jesus, who is the Messiah, had many important parts of his life predicted hundreds of years before he was born. Tonight we look at the predictions regarding his parents.

Bring a torch tonight. We are playing Cluedo, but it will be dark, so it's much easier to find those clues with a torch! Please also bring \$3.

**ONE WEEK TIL TALENT NIGHT**

**Wk 7. Fri 10 June – *Talent Night***

Tonight we think about the place where Jesus the Messiah was predicted to be born, and where he was born. What is important about it?

Are you really really talented? It doesn't matter, cause our standards aren't that high! Come and show off a skill – piano, guitar (bring your own), jokes, juggling, handstands etc. Whatever it is: we'll cheer and applaud. Please bring \$3 for our costs.

**Wk 8. Fri 17 June – *Night Games***

Okay, so know about Jesus' parents and his hometown. But why did God send a Messiah in the first place? Tonight we hear about these predictions and what happened.

It's dark, so let's make the most of it. Wear dark clothing for the games tonight. We'd love \$3 for dinner tonight (promise we won't make you eat it in the dark).

**Wk 9. Fri 24 June - *Movie Night***

Who is God's anointed? What does it mean for someone to be God's anointed? More predictions from the Old Testament tonight. Relax and chill tonight as we watch some videos. Bring a pillow or comfy chair if you want.

**Wk 10. Fri 1 July – *Fire Tins***

Each year on the 1<sup>st</sup> of July in the Torres Strait Islands, they commemorate "The Coming of the Light". This celebrates when the gospel about Jesus Christ was brought to the islands. We'll learn about the TSI and their love of the gospel of Jesus.

Tonight we'll make our own light. We'll be keeping warm using our firetins. Best not to wear your best clothes tonight, cause you might get a bit dirty and wearing cotton/wool around a fire is a great idea.
